(Suggested Donation)

Benefits skiers through the NNF

RSVP to 802-249-8345 or [gus.kaeding@cxcskiing.org](mailto:gus.kaeding@cxcskiing.org)

### ***Support Tomorrow's Stars Today***

*The National Nordic Foundation exists to help America's young, dedicated, and driven Nordic talent as they realize their, and America's, potential. The biggest hurdle facing young American Nordic racers (ages 15 through 25) today is gaining access to quality international coaching, training, and racing experiences. Exposing these young athletes to a progression of international competitive experiences is this nation's greatest Nordic funding need. The National Nordic Foundation exists to fulfill this need. Please donate to the National Nordic Foundation and support tomorrow's stars today as their quest for athletic accomplishment on the trails prepares them to achieve their potential in life and inspires others to do the same.*
